Rules and Regulations Governing Public Use of West Virginia Fishing and Boating Access Sites

Article 1, Section 7, Chapter 20 of the Code of West Virginia, 1961 as amended, the following rules and regulations govern public use of all fishing and boating access sites administered by the Division of Natural Resources, Wildlife Resources Section.

Requirements And Prohibitions:

- Public boating and fishing access facilities shall be used solely for the purpose of launching and retrieving watercraft or fishing from the shore. No other use of access sites is allowed.
- After launching, vehicles shall be parked in available parking spaces.
- Any law enforcement officer acting under proper authority may prohibit an individual from launching a watercraft from any public boating and fishing access sites.
- The following are prohibited at fishing and boating access sites:
 - Consumption of alcoholic beverages or possession of an open container of alcoholic beverages.
 - Swimming or bathing.
 - Camping.
 - Open fires.
 - Trash disposal except where trash receptacles are provided.
 - Discharge of firearms, fireworks and explosives.
 - Leaving unattended watercraft.
 - Commercial use except as authorized by the Director.
 - Parking of any vehicle or the mooring of any watercraft in such a manner as to obstruct any avenue of ingress or egress, except for the purpose of launching.

Any person violating any of these rules and regulations shall be punished in accordance with the provisions of Chapter 20 of the Code of West Virginia and such other laws as may be applicable.

It is the policy of the Division of Natural Resources to provide its facilities, accommodations, services and programs to all persons without regard to sex, race, age, religion, national origin or ancestry, disability or other protected group status. The Division of Natural Resources is an equal opportunity employer.
